

# Concrete testing doesn't have to be tedious and resource-guzzling anymore.

Today, with a few mouse clicks you can:

- ✓ Manage clients, mixes and test reports
- ✓ Evaluate mix trends and do lab proficiency reports
- ✓ Authorize and disseminate reports via web portal, e-mail and fax

Your clients can go online to download test reports anywhere, anytime\*

## BreakTest 3.0

Now with web access for your clients

Pay cents per sample, with no upfront cost!
